

Body Massage

Swedish Massage

55 Minute | 85 Minute

Our Swedish full-body massage combines rubbing and pressure techniques to relax you, relieve sore muscles, release tension, boost circulation, and restore mind-body balance.

Aromatherapy

55 Minute | 85 Minute

Aromatherapy massage is a treat for the senses. Natural essential oils are used in conjunction with acupressure and Swedish techniques to relax your mind and your body.

Candle Massage

55 Minute | 85 Minute

Gently scented, all-natural massage, warm candles made of beeswax and soybean oil are placed on the body. Body heat melts them so the masseuse can use the oil as a massage medium.

Chavutti Thirumal

55 Minute | 85 Minute

The therapist conducts this relaxing massage using his feet not hands. The application of foot pressure in long, powerful, precise strokes will stretch and tone your muscles.

+ Add Hot Stone Fusion for an additional fee.

Deep Tissue

55 Minute | 85 Minute

Deep-tissue massage relaxes muscles, stimulates skin, boosts circulation, and alleviates stress. This massage involves deep pressure for maximum muscle penetration.

Hot Sone

55 Minute | 85 Minute

Smooth, heat-retaining stones are placed on your body's pressure points and warm and relax the muscles so the masseuse can manipulate your muscles gently yet effectively

Kansu

55 Minute | 85 Minute

This Ayurvedic reflexology treatment refreshes the feet and calms the mind. After a full-body oil massage, feet soak in a metal Kansu bowl that rejuvenates via the feet's pressure points

Kripalu

55 Minute | 85 Minute

Kripalu means compassion. Kripalu massage taps into the life force, Prana, to soothe your body and encourage a simultaneous meditative state

Lomi Lomi

55 Minute | 85 Minute

This deep, rhythmic oil massages hails from Hawaii. Using the forearms and hands, the therapist uses long, fluid motions to release toxins and tension.

Reiki Massage

90 Minute | 85 Minute

This treatment combines massage and the healing energy of Reiki, gemstones, crystals. It will soothe muscles and balance chakras by the releasing negativity.

Relax

55 Minute | 85 Minute

The Relax relaxation programme features a lightly scented clay mask that dries on the skin to pull impurities from your pores and leave your skin looking clean and youthful.

Thai Massage

55 Minute | 85 Minute

Loose clothes are requested for this service. As you relax on the floor, the therapist will rhythmically maneuver palms and thumbs to gently stretch and work your muscles.

Udvardana

90 Minute | 85 Minute

This Indian Ayurvedic treatment features oil massage followed by powder massage to cleanse and exfoliate the skin, boost circulation, jumpstart weight loss, and regenerate the body.

Manicure

Gel Color

30 Minute

The most advanced manicure available uses UV and LED light to dry polish in seconds to eliminate smudges. Gel polish is formulated to last up to 14 days without chips or cracks

Manicure

30 Minute

Nothing says "polished" like polished, pretty fingernails! Sit back, relax, and let our technician clean, trim, buff, and polish your fingernails.

Pedicure

Pedicure

45 Minute | 60 Minute

Our feet often don't receive the love they deserve. Pamper them with a pedicure! You'll receive a soothing massage, warm mineral foot bath, exfoliation, toenail shaping, and polish.

Mani-Pedi

60 Minute

In a clothing-optional environment, your nails are especially noticeable. Treat yourself to a relaxing manicure/pedicure combination and step in style with beautiful tips and toes.

Facial

Makeup

30 Minute

Do you want to look stunning for an extra special night out? Treat yourself to a professional makeup application that's sure to turn heads.

Aroma Facial

60 Minute | 90 Minute

Has the St. Martin sun and salt air dried out face? Refresh and reinvigorate with a relaxing aroma facial. As the aesthetician soothes your skin, relax as you inhale calming essential oils.

Men's Facial

60 Minute | 90 Minute

Our men's facial features products specially formulate to penetrate men's thicker skin and facial hair. The men's facial also uses relaxing oils to rejuvenate the senses.

Hydro

Jet Bath

55 Minute

Especially beneficial as an anti-cellulite treatment, a high-powered water jet located across the room is directed at points on your body's acupuncture meridian. It's intense and effective.

Submarine Shower

55 Minute

Step into our seawater bath that features massaging jets, including underwater manual jet. Relax, release tension, stimulate circulation, and enjoy cellulite-zapping properties.

+ Each Hydro treatment is finished off with a relaxing massage.

Vichy Shower

55 Minute | 85 Minute

Experience the truly unique sensation of a manual massage as multiple showerheads simultaneously rain down on your body from above and a vaporizer sprays warm steam.

Exfoliation

Salt Body Scrub

25 Minute

Natural sea-salt exfoliation will leave your skin smooth without stripping beneficial oils. The scrub removes dirt and dead skin, and the follow-up moisturizer imparts a wonderful glow.

+ Add a massage and make your treatment 55 or 85 minutes.

Sugar Body Scrub

25 Minute

Our sugar body scrub has the same exfoliating and cleansing benefits of our salt-body scrub. It's gentler, though, making it an ideal choice for those with fair or sensitive skin.

Body Wrapping

CALMA® Relaxing Programme

60 Minute

Are you frequently tired? Is your skin dehydrated and sensitive? A CALMA Relaxing wrap will balance energy flows, ease tension, and restore skin's hydration and softness.

DOLFINE PACIFIQUE® Slimming Programme

60 Minute

Cellulite? Feeling bloated? You'll savour your figure once again when you see a significant reduction in dimpled skin from cellulite.

FLOW® Circulation - Boosting Programme

60 Minute

Heavy legs and swollen hands? Water retention problems? The FLOW programme boosts energy and stimulates microcirculation. The end result? Full-body invigoration.

TONIARA TROPICAL® Firming Programme

60 Minute

Recent pregnancy or weight loss? Too much sun or faux sun exposure? Stretch marks? Untoned skin? The TONIC programme will firm your skin and improve its appearance.
